

Use of 'cookies'.

During a visit to the website, cookies can be stored on your computer's hard drive. A cookie is a text file placed by a website server in your computer's browser or on your mobile device, whenever you visit a website. Cookies cannot be used to identify people, a cookie can only identify a machine.

Our website only makes use of 'First party cookies', this is to remember the preferred language you have set for our website.

You can adjust the settings on your Internet browser so that cookies are not accepted, that you receive a warning whenever a cookie is installed or that the cookies are subsequently removed from your hard drive. You can do this through your browser's settings (using the help function). Do take into account that specific graphic elements may not appear correctly or that you will be unable to use specific applications.

By using our website, you agree with our use of cookies.
